RAGING THUNDER Leadership your DVD

Defy convention!

Expect more than just a presentation from a professional speaker; expect to also receive a DVD that stars your people sharing real solutions to real problems affecting your organization today!

Shot live on location at your conference, Raging Thunder Leadership your DVD is more than a conference session offering an outside influence. Raging Thunder Leadership celebrates, and communicates the leadership and excellence that already exists within your organization.

Raging Thunder Leadership Your DVD is a conference session that is all about drawing out and capturing those unexpected and invaluable moments of insight that can instantly change your organization! Many experience these inspirations, but few share them.

Consider for a moment the value of a DVD that captures and concentrates how real breakthroughs were actually achieved.

What is the value of an educational resource that stars the best of your people? We capture to video your people sharing how they specifically overcame a known or new challenge to measurably increase revenues, decrease costs, or engineer a higher operational efficiency.

RAGING THUNDER LEADERSHIP

Created on the Rainforest Rivers of Northern Queensland Australia, Raging Thunder Leadership invites you to learn by experience and put into action the leadership & service secrets created by extraordinary, free spirited white water rafting guides.

Each guide is a truly accomplished individual who has learned how to reinvent their work, communication and leadership practices to create immeasurable added value and safety for their customers and colleagues.

Each guide is personally introduced, their video clip is played in a multimedia format and we then combine experiential exercise to fully participate your people to the personal & individual learning adaptation and initial use of the leadership advice shared. Be prepared to experience your people fundamentally reconnecting with their innate second nature and instincts to create real, consistent and measurable sales & operational excellence.

Our extraordinary, free-spirited guides will share leadership & service secrets such as:

Tracy

Never Fear Making A Mistake Ever Again

Mick

Lead by example and take control

Ailsa

How to turn any nightmare client into a dreamboat

Chopper

Be a L.E.A.D.E.R in righting a wronged client

Nick

Clear a client's bad mood and your own

Marty

How to immediately team up with any client or coworker

How we shoot and produce your leadership DVD on location at your conference!

Day One

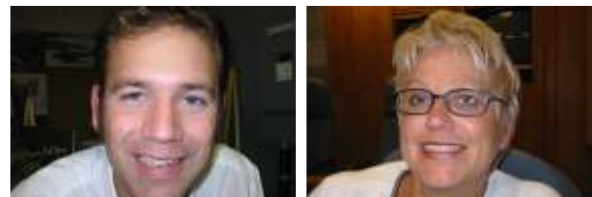

Each person you pre select participates in a private session of our Raging Thunder presentation. We then start the one on one camera interview shoot process.

Day Two

We complete the one on one camera interview shoot process and then overnight edit your people into our pre existing Raging Thunder Leadership Template.

Day Three

We present Raging Thunder Leadership as a 45, 60, 75 or 90 minute session to custom fit your program schedule. Included in this highly participative and educating session we incorporate and present the best video footage of your people sharing real solutions to real 'white water' problems affecting your industry today!

Our process is to video twenty (20) of your people individually sharing recommendations on how to best personally adapt and use the Raging Thunder white water leadership principles shared and again selected by you from a menu of leadership options. Each of your people then shares the insights and recommendations you have sanctioned. We recommend that you gather and focus on simple step high quality recommendations and recent breakthroughs on how to measurably increase sales, improve operational efficiency, and overcome a known industry challenge that everyone is facing in your industry

Presenting Raging Thunder Starring Your People - Once the DVD duplication process is complete a copy of your sanctioned industry organization leadership video can then be immediately mailed to every conference attendee.

Raging Thunder Leadership your DVD supports your educational vision by completely 'participating' your people!
